DESCRIPTION

High performance disposable gloves, TPE food service gloves, waterproof liquid-proof latex free. TPE offers an excellent option for high endurance, form fitting glove that is a cost effective alternative to vinyl and nitrile.

By choosing Greenpack's Thermoplastic Elastomer (TPE) Gloves you are making a more sustainable and responsible environmental choice. TPE Gloves have a lower carbon and plastic waste footprint than the leading competitor's Vinyl or Nitrile gloves.

A portion of proceeds from each box of Greenpack TPE Gloves sold will go to support global initiatives dedicated to reducing the impact of one-time use disposable plastic products on our oceans and environment.
